INTRODUCTION

We believe we are very close to the return of our Lord and Savior Jesus Christ, and God's Holy Spirit is moving mightily among His people. Since God has given Calvary Chapel Golden Springs a vision to reach the lost, we have established CCGS Bible College to train young men and women who want to serve the Lord. We pray that if the Lord is speaking to your heart about studying His Word in-depth, you will enroll. You will be glad you did. May the Lord bless you richly with His love and grace, as you seek His perfect will for your life.

Raul A. Ries,
President, CCGS Bible College

Since God has exalted His Word above His Name (Psalm 138:2), nothing could be more important than studying and knowing the Bible. So at CCGS Bible College, studying God's Word is what we're all about. Our classes are exciting, our instructors are among the best, and our education is very affordable. If God has been moving on your heart to have a closer relationship with Him, through a deeper understanding of His Word, then we invite you to prayerfully consider studying with us here at CCGS Bible College.

Danny Bond
Director, CCGS Bible College

GENERAL INFORMATION

Calvary Chapel Golden Springs Bible College was established as a short, intensive Bible study program. It was developed as a part of the overall vision of Calvary Chapel Golden Springs to equip the people of God for His service. Throughout its history, CCGS Bible College has remained true to its initial vision: to be a place where committed Christians can learn the Word of God, draw closer to Jesus, and be equipped to serve Him.

Our Desire

We desire to see each student at CCGS Bible College:

- Be totally committed and abandoned to Jesus Christ.
- Set free by the truth of the Word of God so they can grow in godliness and holiness.
- Become conformed into the image of Christ, having Christ's life live through them, by the power of the Holy Spirit.
- Develop the humble heart of a servant, allowing the grace of God to shape and strengthen their lives.
- Depend on the enabling work of the Holy Spirit, having no confidence in the flesh.
- Be equipped to bear lasting fruit in serving God.

CCGS Bible College is looking for students who want to:

- Know God in a richer, more intimate way.
- Deny themselves, take up their cross and follow Jesus.
- Allow the Holy Spirit to conform them into the image of Jesus Christ.
- Discover the perfect will of God for their lives.
- Prepare their lives to be used by God in whatever capacity God chooses to use them.

If this describes you, and you want to become equipped for all that God has for your life, we encourage you to prayerfully consider applying to study here at CCGS Bible College.

Compliance with State Requirements

As a ministry of Calvary Chapel Golden Springs, CCGS Bible College is an independent, religious-exempt institution under CEC Section 94302(w)(5), qualifying it to grant degrees in Theology and Biblical Studies. CCGS Bible College confers degrees and awards diplomas and certificates by exemption as a religious institution in the State of California, and operates under the Private Postsecondary Education Act of 2009, Education Code (CEC) Section 94874(e)(1-5) of the Bureau for Private Postsecondary Education (BPPE).

Accreditation

A school is accredited when it has been investigated and found worthy of approval by an accrediting agency. Accreditation alone (or the lack of it) does not determine whether or not a school is legitimate or credible, since not all accreditation is equal. Some accrediting agencies are recognized by the U.S. Department of Education and the Council for Higher Education Accreditation, but others are not. Also, some schools are based outside of the U.S. and are accredited by standards which differ from those of the recognized agencies in the United States. Prospective students should be aware of these important distinctions.

CCGS Bible College is not currently accredited and for two main reasons. First, we wish to continue having local pastors teach Bible classes. Some of these pastors - although called by God, gifted, and experienced in teaching - do not have formal academic degrees, which accrediting agencies might require. Second, since accreditation can be quite expensive, we want to keep the cost of our education affordable so that more students have the opportunity to study and remain free from school debt. But though we have chosen to remain unaccredited, we seek to demonstrate the credibility of our college through compliance with generally accepted accreditation standards, through articulation agreements with other accredited colleges, and especially through the spiritually fruitful lives of our students.

Many opportunities are available for students who are called to pursue education beyond CCGS Bible College, even though academic degrees are not the main goal of our program. Although we are not accredited by a government-recognized accrediting agency, a growing number of accredited colleges will transfer CCGS Bible College courses, and the Bachelor of Biblical Studies degree has been accepted by some of the finest schools in the nation. If you have specific questions about transferability of credits, please contact the Registrar's Office of the institution you desire to attend.

ADMISSIONS

New Students

If you are interested in attending CCGS Bible College, you must apply for Admission. Potential students can apply on our college website: www.ccgsbiblecollege.com.

The application acceptance is made by our Admissions Review Board on the basis of the following:

- *Spiritual Maturity:* Information contained in the application, including the student's personal profile, spiritual life profile and statement of faith.
- *References:* Three references are required. One must be from a pastor or associate pastor. The other two are personal references. We ask that the reference from pastor be from a pastor that has known the applicant for at least one year and is not related by blood or marriage.
- *Academic Preparedness:* For those who want to work toward a degree, evidence of completion of high school, a G.E.D. program, or the State High School Proficiency Exam is required. However, the Certificate of Completion program is intended for the non-high school graduate. Academic preparedness is reviewed for the purpose of determining how much assistance a student may need.
- CCGS Bible College does not discriminate on the basis of race, age, gender, ethnic background, native language, nationality or physical disability. However, since CCGS Bible College is a ministry of Calvary Chapel Golden Springs, it gives priority to members of Calvary Chapel churches for admission.

It is recommended that you apply at least two months prior to the beginning of the semester, that way the staff will have enough time to review and approve your application before registration for classes begins. CCGS Bible College will usually notify students of a decision within a few weeks of receiving the application. Incomplete applications cannot be processed until all information is received.

Returning Students

Returning students who have not been enrolled in classes at CCGS Bible College for over one year should contact our office before registering again for classes.

Transfer Students

Students who have studied the Bible, Theology, or Christian Living at other institutions and wish to transfer credits to CCGS Bible College must have their official transcripts sent to our office for review. Courses will be examined individually and must be deemed identical or very similar in content to courses offered at CCGS Bible College. Usually a maximum of 12 semester credits may be transferred from another school toward the two-year course of study at CCGS Bible College, unless the institution is a CCBC Affiliate or the student is pursuing the Bachelor of Biblical Studies degree at CCGS Bible College. For more information about transferring to and from other institutions, please see the Transfer Information section of this catalog.

International Students

Students applying for study at CCGS Bible College must have the proficiency to read and comprehend the English language at the college level. Although we are unable to accept international students to study on campus at this time, we ask that you prayerfully consider making personal preparations for when that time comes.

These preparations would need to be done when studying in any school within the United States. Students who have completed secondary or postsecondary education outside of the United States and desire to pursue a degree must submit an evaluation of foreign credentials from an evaluating agency. Please allow ample time for processing. Any non-English documents must be accompanied by a certified English translation, including a course-by-course evaluation. We will notify students when these studies become available.

Students with Disabilities

CCGS Bible College abides by Section 504 of the Rehabilitation Act of 1973, which stipulates that no qualified student will be denied the benefits of an education "solely by reason of a handicap." If you have a documented disability which limits a major life activity that may have some impact on your work at CCGS Bible College and for which you may require accommodation, please discuss that with our CCGS Bible College office prior to your enrollment so that appropriate accommodations may be arranged.

Distance Learning Classes at CCGS Bible College

The classes at CCGS Bible College are life changing. Much of this has to do with the unexplainable dynamic that happens when students and teachers are in the same room and the Holy Spirit does what only He can do. We believe nothing can substitute for this spiritual learning environment filled with worship, prayer, discussion, and fellowship. For this reason, we highly recommend that students do their course work here on campus.

However, we realize there are many people who live at a distance and in other states for whom taking classes here is not possible. So, we've set up online classes especially for them. As selected classes are taught on campus here, they are recorded by our outstanding video team. Then these high-quality videos are uploaded for distance students to watch. In most cases, distance students do the same course work as the on-campus students and interact with their professors online. It's the next best thing to being here.

Currently there are several classes available for our distance learners - Acts, Biblical Doctrines 1, Biblical Doctrines 2, Church History, Daniel, Gospel of Luke, Hebrews, Life of Christ, OT Survey 1, OT Survey 2, NT Survey 1, NT Survey 2, Pentateuch, Prison Epistles, Revelation, and Romans. Each semester new classes are recorded and made available online. Our goal is that students at a distance will be able to complete a large portion of their Associate of Theology degree, Bachelor of Biblical Studies degree, or Certificate of Completion by taking online classes. The remaining classes will need to be taken on campus for degree completion. Students can refer to the "Degrees and Certificates" section of this catalog for degree requirements.

Online classes are only available for distance students (more than 25 miles) or by special approval. These classes are for credit only, and in addition to the cost of registration and tuition, there is a small online fee for taking them. To register for online classes or to get more information about them, please contact us at (909) 859-6519.

Dual Enrollment Classes

CCGS Bible College recognizes the incredible value of homeschooling education and wants to help homeschooling high school students on their academic journey. Classes taken at CCGS Bible College allows homeschooling high school students to earn both high school and college credits simultaneously. This enables these students to get a head start on their Associate of Theology degree with us.

- Classes taken in this format are for students in their junior or senior year of high school. A representative from CCGS Bible College will connect with a parent/guardian, upon completion of the application if the student is under 18 years old.
- Homeschooling students may take up to 6 credits per semester and up to 16 credits total.
- Current high school transcripts are required, even though they will not be complete. These transcripts will need to be updated annually.
- Students must be able to study and write at a college level.
- Students must demonstrate spiritual maturity in order to attend on-campus classes.
- A 2 credit CCGS Bible College course is a 15-week term for which students can receive one year of high school credit. CCGS Bible College classes can apply to an Honors Class 5.0 grading scale.
- Tuition and fees for classes can be found in the "Financial Information" section of this catalog.
- Students can refer to the "Description of the Associate of Theology Program" section of this catalog for Associate of Theology degree requirements.

Populi Online System

CCGS Bible College provides all students with access to Populi, our web-based Student Information System. Students use this online system to apply to CCGS Bible College, pay tuition and fees, access course information, submit assignments, keep track of all grades and assignments, search for Library resources, store files, communicate with staff and faculty, print academic and financial records, and track their progress toward graduation. In order to stay current with important announcements and grading information, students are expected to remember their Populi username and password and log in regularly throughout their time at CCGS Bible College.

Graduation

Graduation Tracking

All students are responsible for tracking their graduation progress regardless of the campus or campuses attended. Students should check Populi regularly and/or meet with their Teacher or Teacher Assistants before class concerning missing assignments and absences. All graded homework should be saved and backed up, both for future reference and as proof in case of an error in grading.

Graduation Procedures

Potential graduates must sign up for a graduation interview at the CCGS Bible College office when registering for their last semester. The office will review records, resolve academic conflicts, verify degree level and complete an application to graduate during the graduation interview. In addition, we will schedule the graduation ceremony rehearsal and various meetings for the graduates at that time. *A graduation fee of \$70 is required for all CCGS Bible College students who are going to graduate.*

Graduation Policy

CCGS Bible College trains people for Christian ministry and leadership. This demands a high standard of character and conduct as measured by the Scriptures. Students who by the evaluation of the faculty and administration do not demonstrate these qualities during their degree program will not be recommended for graduation. Fulfillment of degree requirements does not guarantee a recommendation to graduate. CCGS Bible College reserves the right to dismiss students at any time for any reason deemed appropriate by the administrative staff. Prior to degree completion the student may be required by CCGS Bible College to furnish additional and/or updated information to ensure accuracy and a complete file.

CCGS Bible College does not ordain ministers or directly place graduates in ministry positions outside their colleges. Occasionally, when Christian ministries announce openings for positions, the colleges make the information available to students to apply for these positions if they wish to do so. However, making this information available does not constitute an endorsement of any ministry.

Transcripts

Students can request transcripts by contacting the CCGS Bible College office. Transcripts are \$5 each, and cannot be processed prior to payment. This fee is non-refundable. Transcript requests can usually be processed within 2 weeks.

Degree Upgrade

If a student graduates from CCGS Bible College with an Associate of Theology degree and has since earned an Associate of Arts degree or its equivalent from an approved institution, the student may be eligible for a degree upgrade. For information regarding this, please contact the CCGS Bible College office.

Diploma Reissue

If a student's diploma has been lost or damaged, he or she may contact the CCGS Bible College office to request a new copy for a non-refundable fee of \$50. The student should allow up to three weeks for delivery.

Release of Student Information

CCGS Bible College voluntarily abides by the Family Educational Rights and Privacy Act (FERPA), a federal law that protects the privacy of student educational records.

Honorary Degrees

Since CCGS Bible College is an independent, religious-exempt institution, qualifying it to grant degrees in California, and since its degrees are religious in nature, it may also confer honorary degrees. Such degrees are granted only in exceptional cases. If the leadership of CCGS Bible College deems the education, experience, or service of an individual as of significant value to the school, they may award that person an Honorary Bachelor of Biblical Studies, Honorary Master of Divinity, or Honorary Doctor of Divinity degree.

ACADEMIC STANDARDS

Credits

CCGS Bible College operates on a 15-week semester system with the standard academic requirement for credits. For every hour spent in class, there is a minimum of twice that time spent in student work outside of class. One college credit requires a minimum of 12.5 hours in class (750 minutes) with a minimum of 30 hours of student work outside of class over the 15-week semester. This means that a two-credit class would involve 25.0 in class hours (1,500 minutes) and 60 hours outside of class, and a three-credit class would involve 37.5 in class hours (2,250 minutes) and 90 hours outside of class.

Attendance

Time spent in class at CCGS Bible College is about much more than gathering notes and information in order to pass an exam. The great benefit of the live classroom setting is that it is a time of face-to-face fellowship and learning as a community of believers gathered in the presence of God. Another benefit is the opportunity for the students' active participation - the ability to ask questions and personally engage in discussion. For these reasons, we emphasize the need to attend class faithfully. We recognize that extenuating circumstances sometimes prevent a student from being able to attend class. For this reason, we distinguish between excused and unexcused absences. *Students must contact their instructors to determine if an absence is excusable, and do so within 2 weeks of the absence.* Unexcused absences will result in a reduction of your course grade, and enough absences whether excused or unexcused may cause you to fail the class. Whenever an absence occurs, whether excused or unexcused, credit students are highly encouraged to listen to the class session they missed on mp3 and take notes. In addition, any homework that was due the day of the absence should be turned in at the next class.

Course schedule, topics, and assignments may be changed at the instructor's discretion. Students are responsible for knowing information provided in class whether or not they are in attendance when the information is given. Students can track their attendance on the Populi system.

Grading

While grades are not the main goal of our classes, evaluation is an important tool in teaching and discipleship training. We recognize that, although all people are equal in value, they often differ in their gifts and abilities. As we design our courses and evaluate students' work, we do our best to make sure that students receive grades that properly reflect the effort they put into their studies.

If a student is unsatisfied with a final grade and thinks that an error has occurred in the calculation of the grade, he or she may submit a request for a grade change in writing to the Bible College office within 90 days after receiving a grade report. CCGS Bible College will review the grade and if there is sufficient evidence showing that the grade was inaccurate it will be corrected. Students are responsible to keep all graded assignments and exams. These items will be necessary whenever a request for a grade change is filed.

At CCGS Bible College, we use both letter grades and grade points that count toward a cumulative Grade Point Average (GPA). This standard grading system makes it easier for our students to transfer credits from CCGS Bible College to other academic institutions, and applies uniformly to all courses. Here is a chart that shows the grades, percentages, and grade points:

Letter Grade	Percentage	Grade Points	Explanation
A	100-95	4.0	Excellent
A-	94-90	3.7	Excellent
B+	89-87	3.3	Good
B	86-83	3.0	Good

C+	79-77	2.3	Satisfactory
C	76-73	2.0	Satisfactory
C-	72-70	1.7	Lowest Passing Grade
D+	69-67	1.3	Unsatisfactory
D	66-63	1.0	Unsatisfactory
D-	62-60	0.7	Unsatisfactory
F	59 or Below	0.0	Failure
FN	-	0.0	Failure for Non-Attendance
P	-	-	Pass
AU	-	-	Audit
W	-	-	Withdrawal
WF	-	0.0	Withdrawal Fail
WP	-	-	Withdrawal Pass

Scholastic Standing

Grades are evaluated at the end of each semester. A grade point average of 2.0 per semester must be maintained in order to attend CCGS Bible College. If a student's cumulative GPA drops below 2.0, the student will have one semester to bring the cumulative GPA up to 2.0. If the student is not able to bring the GPA up within one semester, he or she will be asked to move from the degree-seeking program to the Certificate of Completion program. Students must earn a grade of "C-" or better to pass all degree courses. In addition, due to the unique importance of Old Testament and New Testament Survey, and Practical Christian Ministry, students must earn a grade B- or better in order to pass these courses. In the case of *Chapel*, two excused absences will be allowed without affecting the student's GPA, but on the third absence they will receive a WP for the class.

TRANSFER INFORMATION

Transferring to CCGS Bible College

Some students who come to CCGS Bible College may have prior coursework from an evangelical Bible College or Seminary and desire to use that course work to fulfill a portion of their CCGS Bible College elective requirements. Courses will be examined individually and must be deemed identical or very similar in content to courses offered at CCGS Bible College. Usually, a maximum of 12 semester credits may be transferred from another school toward the two-year course of study at CCGS Bible College, unless the institution is a CCBC Affiliate or the student is pursuing the Bachelor of Biblical Studies degree at CCGS Bible College. In most cases, any credits that are transferred will count toward Electives or Bible Elective credits only.

Credit is usually not awarded by CCGS Bible College for "life experience." Degrees cannot be granted retroactively from the time before CCGS Bible College was verified as able to grant degrees. Thus, Certificates of Completion from CCGS Bible College cannot be exchanged for the Associate of Theology or Bachelor of Biblical Studies degrees from CCGS Bible College. All work completed at any institution must apply towards the degree granted. Degrees cannot be granted for work done that applied towards another degree, except where deemed appropriate by the administration. The purpose for these policies is to prevent CCGS Bible College from being anything like a "diploma mill" and to ensure that the degrees offered by CCGS Bible College are of the highest integrity.

To request a transfer credit evaluation, please submit your official transcripts from the institution(s) you have attended. No official evaluation can be made without official transcripts. In some cases, you may be asked to provide additional information about your coursework in order to complete the evaluation. CCGS Bible College will maintain a written record of the student's previous education and official transcripts and a record showing that transfer credit was granted, if appropriate, with the student notified accordingly. Transfer students should not assume all Bible courses will be transferable. Final decisions are made by our staff after carefully considering each course and comparing it to required course work at CCGS Bible College.

Transferring from CCGS Bible College

Students have numerous opportunities to build on their biblical education and pursue further studies beyond CCGS Bible College at accredited Christian colleges and seminaries. A number of accredited colleges have recognized CCGS Bible College as a credible Bible-teaching institution and have accepted their courses in transfer, and the Bachelor of Biblical Studies degree has been accepted by some of the finest schools in the nation as meeting the admissions requirements for their master's degree programs.

The following list includes some of the institutions that have accepted credit from Calvary Chapel colleges or admitted students to graduate programs who have earned a Bachelor of Bible Studies degree. Each institution may accept transfer credits or grant admission for students on a case-by-case basis. They have reserved the right not to accept certain credits or admit students as they deem appropriate. If you have specific questions about transferability of credits, please call the Registrar's Office of the institution you desire to attend.

Financial Aid

At CCGS Bible College, we attempt to keep the cost of our education program affordable so as many students as possible can attend. Because of this we do not participate in government supported financial aid programs or guaranteed student loans.

Before applying for admission to CCGS Bible College, applicants should make realistic assessments of the financial obligation. Calvary Chapel Golden Springs believes and teaches, "where God guides, God provides." Over the years, we have seen God make provisions for people who were called to attend Bible College.

Calvary Chapel Golden Springs also believes it is more blessed to give than to receive. With this in mind, God has led us to give partial scholarships to students who may be in need of financial aid to cover tuition expenses. Students are not obligated to repay such gifts; however, we highly encourage students who have been given these scholarships to express their gratitude by serving at Calvary Chapel Golden Springs in some way. Students can obtain a Scholarship Application form by contacting the CCGS Bible College office.

Payment Terms

The required fees are due at the time of registration, for each semester. Any student who would like to make payments towards their tuition may complete a Tuition Contract. Students will be able to make payments towards their tuition throughout the semester. If there is an outstanding balance after the semester has ended, the balance will be applied to the credit card provided on the Tuition Contract. Payments must be made by cash, check, or credit/debit cards. Checks must be made payable to CCGS Bible College.

Refunds

Refunds of tuition or account credits can be made up to the fourth week of the semester. Refunds are based on the number of classes held prior to the notification from the student of their intent to drop. Students can view the pro-rated schedule for refunds on their Populi account. *The total tuition amount is due if the student drops after the fourth week of the semester.*

Refunds are contingent on proper notification by the student. It is important for students to notify the CCGS Bible College office as soon as they decide to drop a class, since the refund amount is determined according to the day the Program Change Form is submitted, NOT according to the last day class is attended. Drops are not official until a Program Change Form is filled out and signed. If a student does not drop the class with proper written documentation, within the allotted drop dates, they will be responsible for the full tuition payment.

STUDENT LIFE

Moral Code

In all we do, as the body of Christ, we should seek to honor and glorify the Lord. We ask students to be modest and appropriate in their attire. We appreciate your cooperation in this, as we seek to honor God and promote godliness on our campus. This is a non-smoking facility and there are no designated areas for smokers on or near the campus. This rule is strictly enforced. Smoking on campus is grounds for dismissal.

Academic Honesty

As God's people we are to walk in integrity and truthfulness in all we do. This is especially important in an academic setting. For this reason, students should never use another person's words, ideas, music, artwork, or any other product of their academic or creative endeavors in such a manner as to imply that the thing used was their own. In academic circles, not to acknowledge your sources (what is known as *plagiarism*) is a very serious matter. As well, during quizzes or exams, students should never use notes or memory aids unless allowed by the instructor. Students who plagiarize or cheat may face disciplinary action up to, and including dismissal. God is light and in Him there is no darkness at all, so as children of light, we are to walk in the light.

Use of Technology

We thank God for the technologies we have in our modern age, but we want to use them in a way that honors and glorifies Him. Mobile phones must be silenced or turned off in class, and no texting is allowed during class sessions. Laptop computers or tablets are to be used only for course-related work. Thanks in advance for your willingness to respect this important policy.

Ministry Opportunities

In addition to course work, CCGS Bible College provides numerous on-going opportunities to serve within Calvary Chapel, in order to gain practical ministry experience. Some common areas of ministry, which have developed over the years are: Mexico outreach ministry, hospital ministry, feeding the homeless, children's Christian education, CD and radio ministry, street witnessing, outreach concerts, new believer instructors, women's ministry, bookstore ministry, sound ministry and youth group involvement. The opportunities change each semester, depending on the spiritual gifts of the students currently in attendance.

Emergency Procedures:

In all emergencies please follow the directions of your instructor. In case of a fire alarm calmly proceed to the nearest exit. In case of an earthquake – drop, cover, and hold; then safely exit the building once the shaking has stopped. In case of an active shooter or other such threats, lock door, close blinds, stay clear from windows, and remain in the classroom until first responders arrive. In case of a medical emergency, call 911 immediately. There is also a basic medical kit on top of the bookcase just inside the entrance of the Bible College Library, and an AED on the wall between room 205 and the restrooms, for those trained to use them. Any student suffering from an illness that can result in an outbreak affecting others on-campus must notify the college and remain home until further notice.

STATEMENT OF FAITH

The following doctrinal statement of faith governs the teaching at Calvary Chapel Golden Springs Bible College:

Scripture: We believe the Bible (i.e., the sixty-six books of the Old and New Testaments) is the Word of God, comprises the totality of Holy Scripture, is verbally inspired and inerrant in the original text, remains inerrant and infallible in all its substance, and is sufficient for salvation and sanctification. Therefore, it is the supreme, final, and authoritative standard for faith, theology, and life. We seek to teach the Word of God in such a way that its message can be applied to an individual's life, leading that person to greater maturity in Christ. (CCBC affirms the Chicago Statement on Biblical Inerrancy)

Historicity: We believe in the full historicity and perspicuity (clarity) of the biblical record of primeval history, including the literal existence of Adam and Eve as the progenitors of all people and defining marriage as between one man and one woman; acknowledging that scripture elsewhere dictates that any sexual activity outside of marriage is an abomination before the Lord, the literal fall in the Garden of Eden, and resultant divine curse on creation, the worldwide cataclysmic deluge, and the origin of the nations and languages at the tower of Babel.

God: We believe that the triune God eternally exists in one essence and three distinct persons: Father, Son and Holy Spirit; that He is essentially spirit, personal, transcendent, sovereign, life, love, truth, almighty, simple (i.e., essentially one without parts), timelessly eternal, unchangeable, wise, just, holy, relational, pure actuality, dynamic, infallible in all things, including His foreknowledge of all future decisions and events, and that He created the heavens and the earth in six literal days.

Jesus Christ: We believe that Jesus Christ is fully God and fully human, possessing two distinct natures which are co-joined in one person; that He was miraculously conceived by the Holy Spirit, born of the virgin Mary, lived a sinless and miraculous life, provided for the atonement of our sins by His vicarious substitutionary death on the Cross, that He was buried in the tomb, and was physically resurrected in the same body by the power of the Holy Spirit; that Jesus Christ physically ascended back to the right hand of God the Father in heaven, and ever lives to make intercession for us. After Jesus ascended to Heaven, the Holy Spirit was poured out on the believers in Jerusalem, enabling them to fulfill His command to preach the gospel to the entire world, an obligation shared by all believers today. (CCGS Bible College affirms the Apostle's, Nicene, and Athanasian Creeds).

Holy Spirit: We believe the Holy Spirit is the third person of the Godhead who seals, indwells, sanctifies, baptizes, teaches, empowers, reveals, and guides the believer into all truth. The Holy Spirit gives gifts to whom He wills, which are valid for today, and ought to be exercised within scriptural guidelines. We as believers are to earnestly desire the best gifts, seeking to exercise them in love that the whole Body of Christ might be edified. We believe that love is more important than the most spectacular gifts, and without this love all exercise of spiritual gifts is worthless.

Mankind: We believe that man is created in the image of God; however, after the Fall of Adam and Eve, all people are by nature separated from God and responsible for their own sin, but that salvation, redemption, and forgiveness are offered as a free gift by the Lord Jesus Christ to all based on His grace alone. When a person repents of sin and receives Jesus Christ as personal Savior and Lord, trusting Him to save, that person is immediately born again and sealed by the Holy Spirit, all his/her sins are forgiven, and that person becomes a child of God, destined to spend eternity with the Lord.

Salvation: Salvation is initiated, attained, and procured by God through the death of Christ on the cross for our sins and His resurrection from the dead. The salvation Christ offers is available to all, and is received freely by grace alone and through faith in Christ alone, apart from good works, thereby justifying and sealing the believer once and for all.

The Church: The universal Church is an organic body composed of all believers, both living and dead, who have been sealed by the Holy Spirit through faith in Jesus Christ for salvation. The church has the responsibility to worship the Lord and share the good news of Christ's death and resurrection to the world, making disciples, baptizing believers, and teaching them to observe sound doctrine and live a morally pure life. We believe church government

should be simple rather than a complex bureaucracy, with the utmost dependence upon the Holy Spirit to lead, rather than on fleshly promotion or worldly wisdom. The Lord has given the church two ordinances which are to continue until He returns - Water Baptism by Immersion and Holy Communion. Water Baptism is not necessary for salvation, and cannot remove sins, but is a picture of the salvation already received by the believer. This is why we do not believe in infant baptism. We believe the only true basis of Christian fellowship is Christ's sacrificial agape love, which is greater than any secondary differences we possess, and without which we have no right to claim ourselves Christians.

Worship: We believe worship of God should be spiritual. Therefore, we remain flexible and yielded to the leading of the Holy Spirit to direct our worship. We believe worship of God should be inspirational. Therefore, we give great place to music in our worship. We believe worship of God should be intelligent. Therefore, our gatherings are designed with great emphasis upon the teaching of the Word of God that He might instruct us how He should be worshiped. We believe the worship of God should be fruitful. Therefore, we look for His love in our lives as the supreme manifestation that we have been truly worshiping God in spirit and truth.

Christ's Return: We await the pretribulational rapture of the church and the second coming of Christ which will be physical, personal, visible, and premillennial. This motivates us to evangelism, holy living, heart-felt worship, committed service, diligent study of God's Word, and regular fellowship.

Eternity: We believe those who are saved by Jesus Christ will spend eternity with Christ in heaven in a conscious state of blessedness, reward, and satisfaction; that those who do not personally receive the finished work of Christ by faith will spend eternity separated from God in a state of conscious torment.

Satan: We believe there is a real personal Devil of great malevolence, cunning, and power, who seeks to deceive, tempt, kill, steal and destroy, yet his power is limited by God to only what God permits him to do; that the Devil has been defeated positionally at the cross of Christ, and will be defeated practically at Christ's glorious second coming which will eventuate in the permanent quarantine and punishment of the Devil, Beast, and False Prophet, in the Lake of Fire.

We Reject: (1) The belief that true Christians can be demon possessed and are helpless against the craft and wiles of the Devil; (2) any philosophy or theology which denies that human freewill can be exercised in the receiving of Christ's free gift of salvation; specifically, we reject the belief that Jesus' atonement was limited in its extent, instead, we believe that He died for all unrighteous people and that any perceived limitation rests in one's free rejection of Christ's finished work of atonement, and we reject the assertion that God's wooing grace cannot be resisted or that He has elected some people to go to Hell; instead we believe that anyone who wills to come to Christ may do so freely as a result of the Holy Spirit's conviction and wooing persuasion of the heart; (3) "positive confession," (e.g., the Faith Movement, that views faith as a force that can create one's own reality or that God can be commanded to heal or work miracles according to man's will and faith); (4) human prophecy that supersedes or is contrary to Scripture; (5) any introduction of psychology and philosophy which is contrary to Scripture and is in substance "according to the tradition of men, according to the basic principles of the world, and not according to Christ" into biblical teaching; (6) "Open Theism" or "Freewill Theism" which reduces God's timeless, unchanging, dynamic nature, and exhaustive foreknowledge of future free decisions, to creaturely modes of being and operation; (7) the "Emergent Church" movement insofar as it departs from the historic orthodox Christian doctrines in favor of postmodernism; and (8) the overemphasis of spiritual gifts, experiential signs and wonders to the exclusion of biblical teaching.

While CCGS Bible College holds to these beliefs, we welcome any believer in the Lord Jesus Christ who has a sincere desire to grow closer to Jesus. Our desire is to share in the fellowship of Christ in a way that brings glory to God, avoiding division, and to share in His love.

In some cases, departure from the doctrinal statement may, in the evaluation of the College, constitute grounds for denying admission to CCGS Bible College, subsequent dismissal, or prohibition from graduating.
